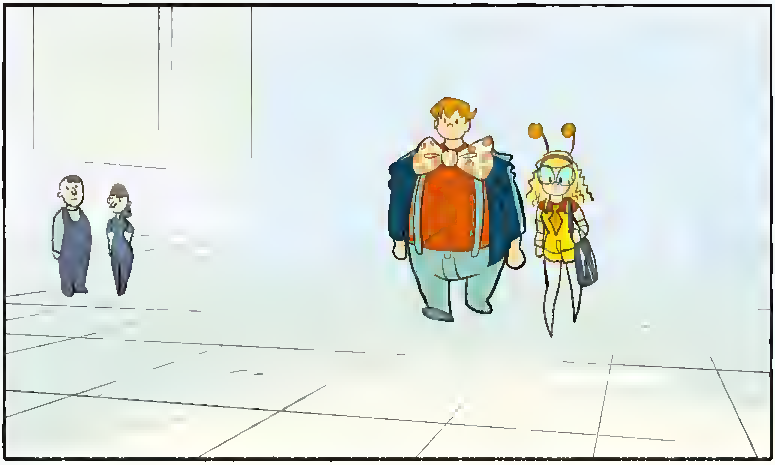
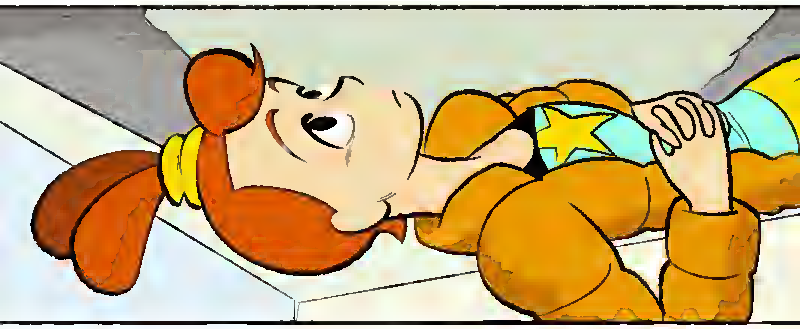
RINNNG!

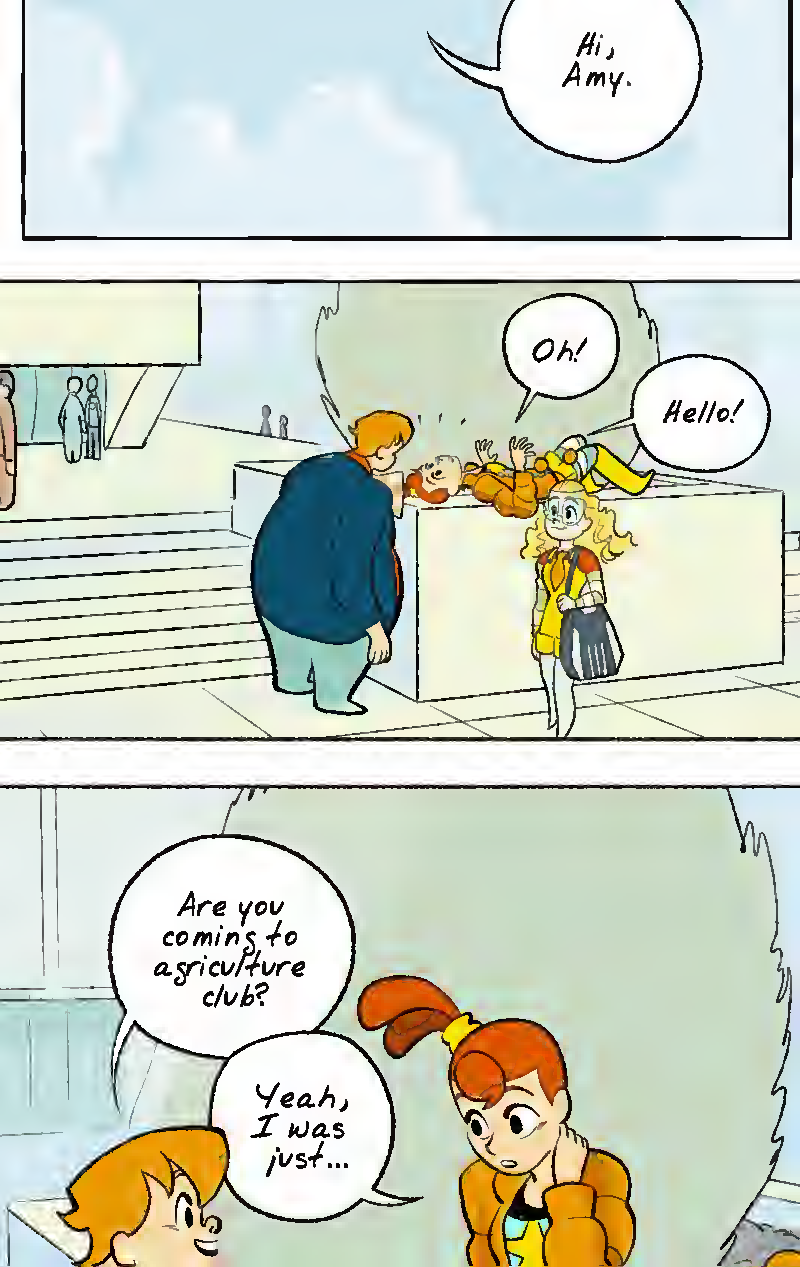
Penny got into my make-up and ate an entire bottle of glitter.
SOUTH PINES ACADEMY
What?
Is she okay?
Yeah, she barfed most of it back up.
Took her a while though, poor dog.



On the plus side, our driveway is all sparkly

now.
Tammy!
Why must you tell me these things?
Hey look!
There's Amy!

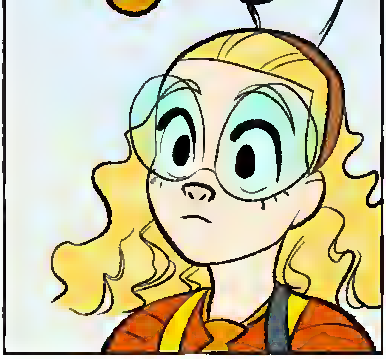




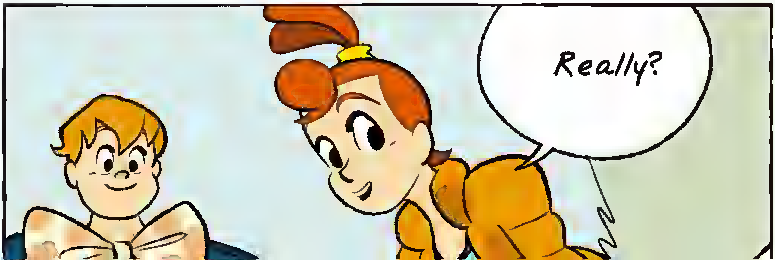
Hi, Amy.
Oh!
Hello!
Are you comin's to agriculture club?
Yeah, I was just...

I was taking a break.
Are you okay? You look tired.

I'm fine.



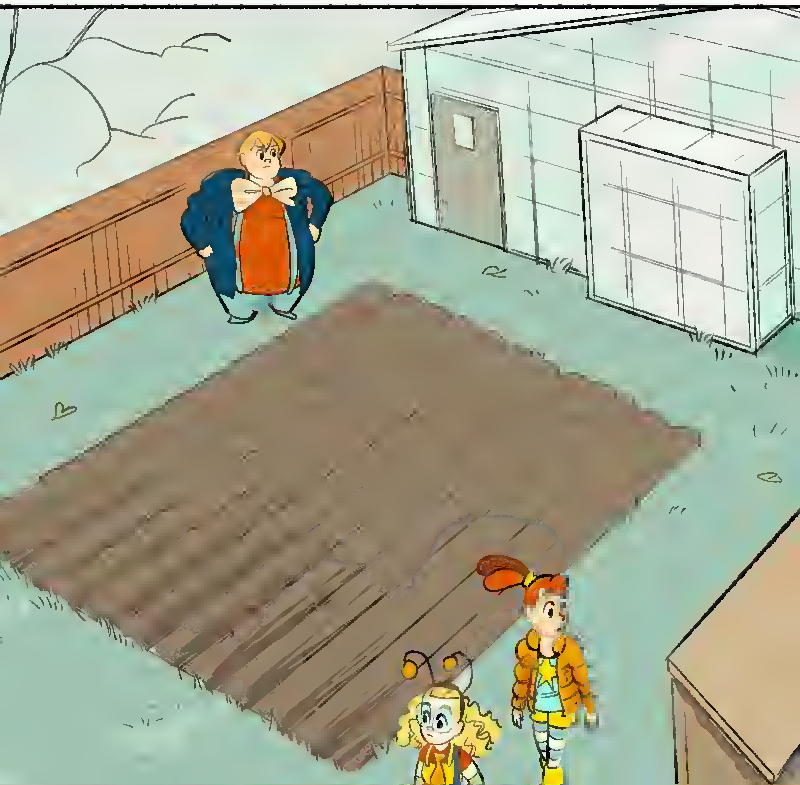
Um--
We have a surprise for you.



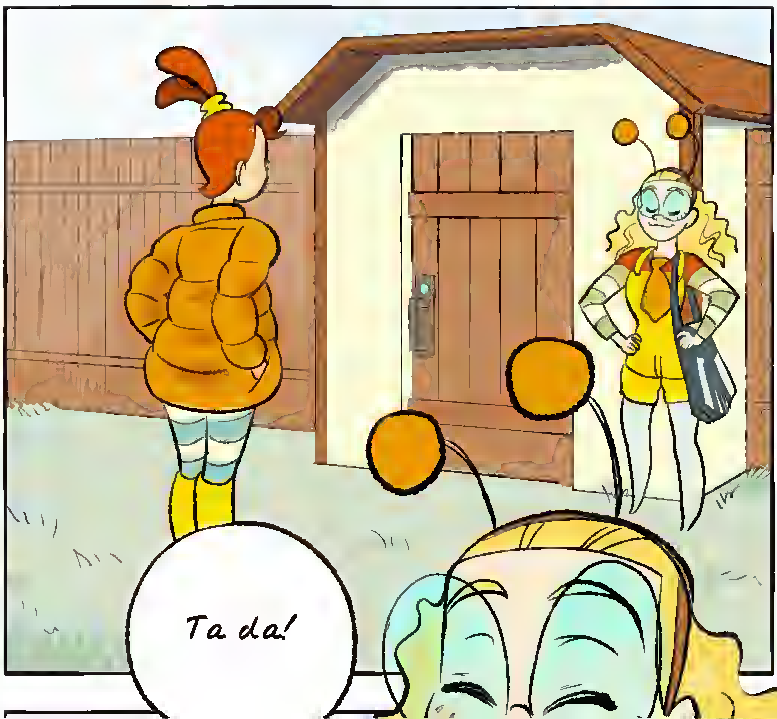
Really?

Yeah.

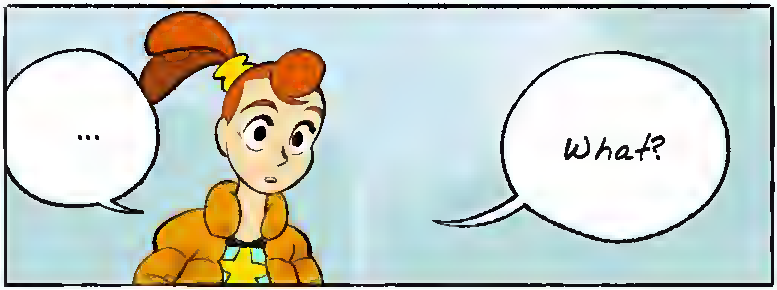
Come on over to the greenhouse with us...



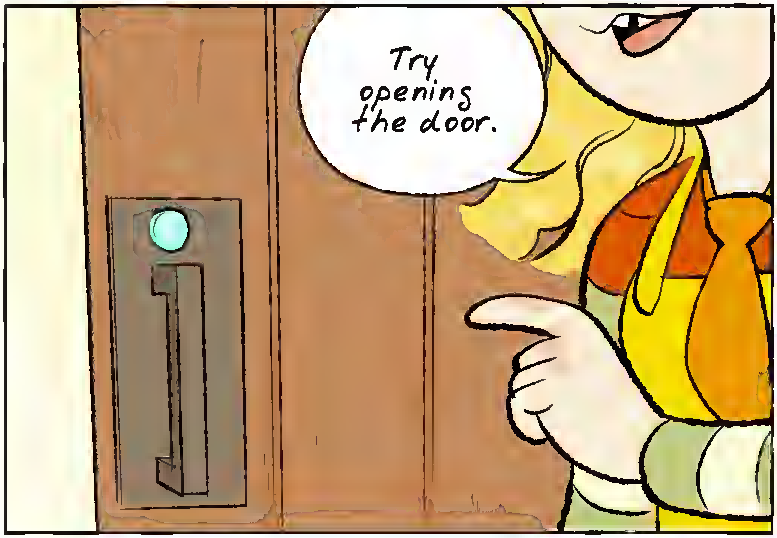
Where's Meisha?
She said she'd be working here during her free period--
Moving the desert plants.
I don't know-- Maybe she went to buy some lunch? You know how she gets when she's hungry.
Why don't you give her a call?
Alright.



Ta da!

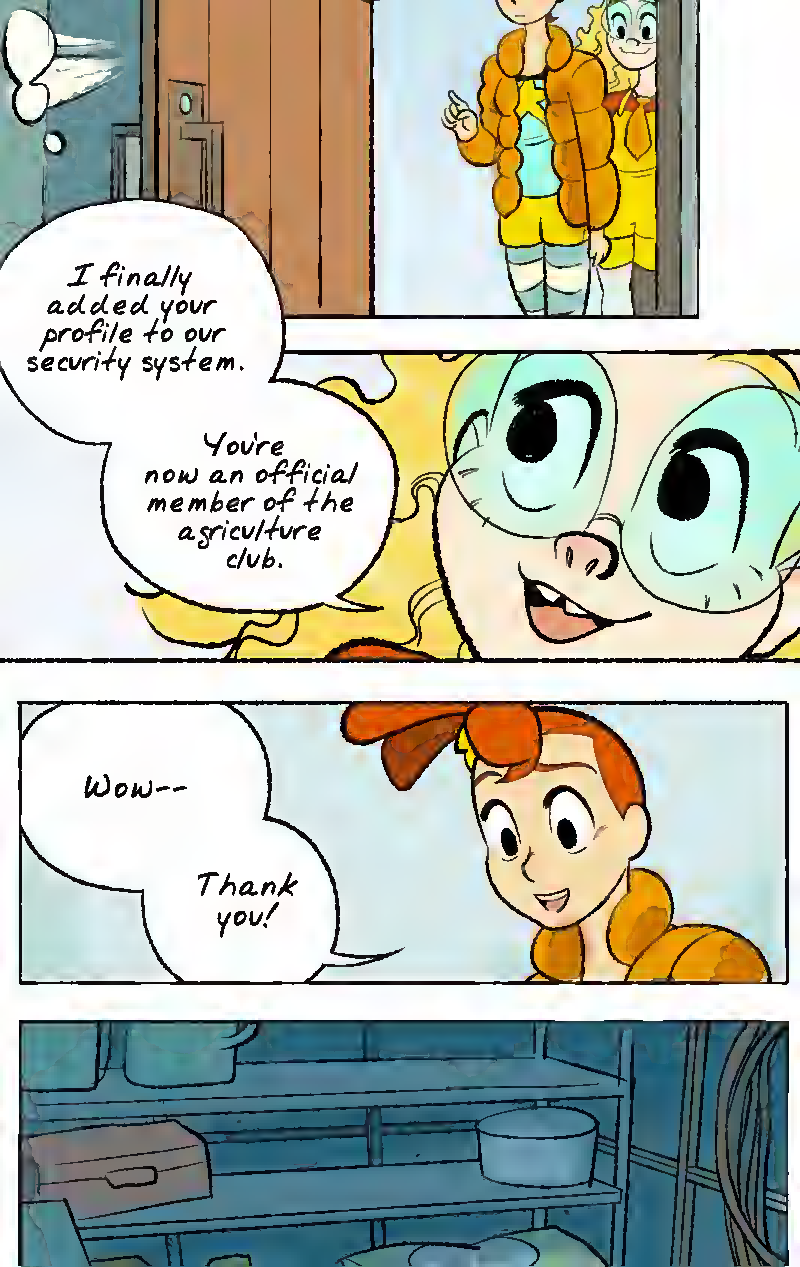


...
What?

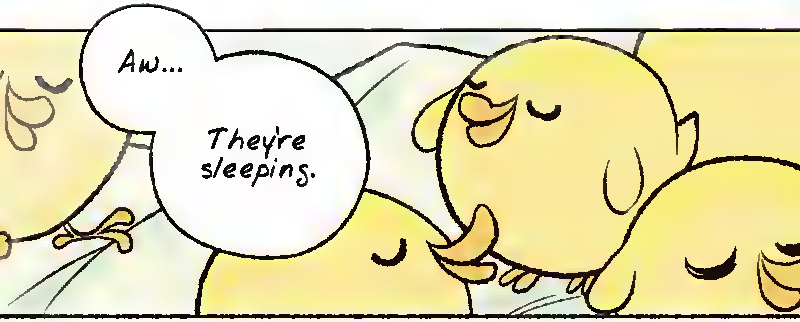


Try opening the door.

BEEP! Fingerprint Verified.



I finally added your profile to our security system.
You're now an official member of the agriculture club.
Wow--
Thank you!



Aw...
They're sleeping.

Thanks Tamara.
I needed this.

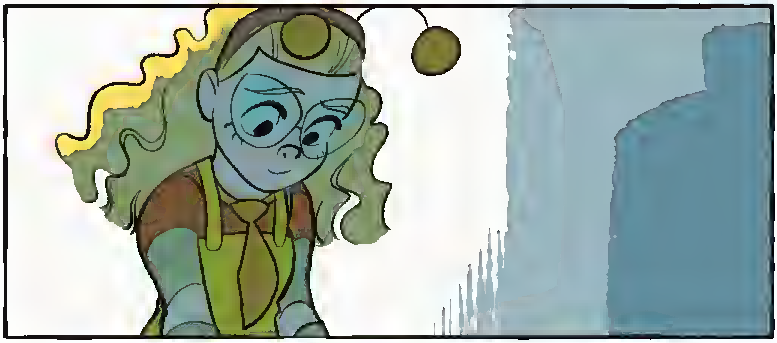
know.

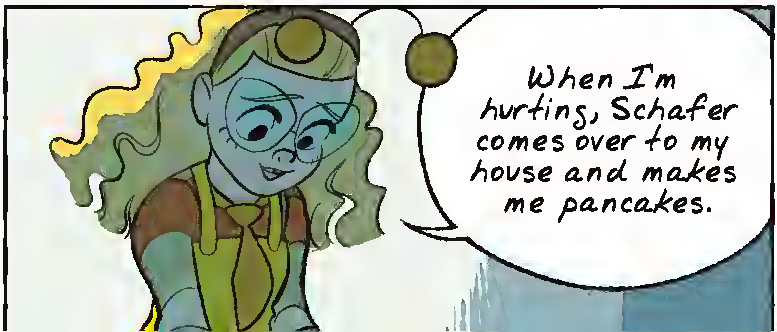
At least,

nothings wrong with me.
But--
I have a lot of friends who are hurting right now.
I want to be strong for them.
I want to give them my best smile and encourage them forward.

But sometimes it seems like even if I save every part of myself, it still wouldn't be enough.
I feel small...
Too small to make a difference.

I'm sorry, Amy.
It's okay.





When I'm hurting, Schafer comes over to my house and makes me pancakes.

Does that make you feel better?
Sometimes.
Sometimes not.
But--
--even if he can't fix everything in my life, it's nice to have someone there.

I'll leave you with the chicks.
Take as much time as you need.

"I decided to portray Amy as a field of lilacs and Oliver as the Nothing. Since Amy isn't convinced of her own flavor, maybe Oliver can help her find it one day!"

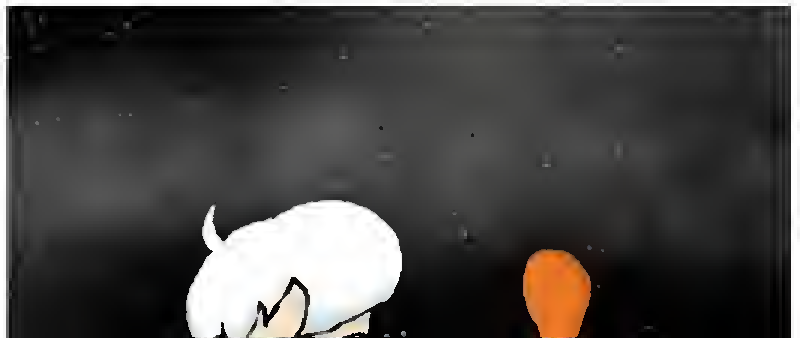
"this is one of the first pieces of art i have done on my new disital art tablet. i wanted to show how attracted to Oliver Amy is, while at the same time she feels as if he doesn't notice her at all."



Jacqueline

Your comic Space Boy is absolutely amazing. It's my favorite out of all the others."

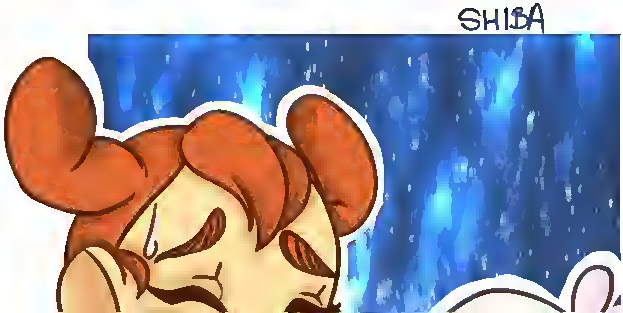
"I'm a 14 year old aspiring artist from the UK. I'm absolutely in LOVE with your comic so far. Your art and comic panels and the story plot are so nicely set out and I'm just so jealous ahh ,, I hope I can be a webcomic artist too someday-!"



You can do it!
You have a great style!
Also, I like the tiny heart between Amy and Oliver you snuck in there.
